The screenshot shows the 'Visual Workplace' website interface. At the top left, there are social media icons for Facebook, Twitter, LinkedIn, and YouTube. Below these are two buttons: 'Discover the Sign Shop Click Here' and 'Sign Shop Tool Box Click Here'. A sidebar on the left lists 'More Visual Workplace Products' including Floor-Mat®, Shadow-Mat®, Quick-Grid®, Tool Shadow Boards, Communication Boards, Custom Signs, Peel & Stick Letters/Numbers, and Visual Lean Resources. The main content area features a blue header with the text 'SHARE BEST PRACTICES' and 'Share Lean & Continuous Improvement Ideas.' followed by the 'VISUAL WORKPLACE' logo. Below the header is a 'Gallery of Ideas' section with navigation links 'First Previous 1 2 Next Last'. The gallery displays three featured items: 1) A 'Targets & areas of production on a weekly Scoreboard' with a caption 'Keep track of your SS Progress by using a Targets & areas of production on a weekly Scoreboard. Include suggestions...' and a link to 'more...'. 2) 'Best dual counts in AM and P' with a caption 'Best dual counts in AM and P' and a link to 'more...'. 3) 'Shaded Red Down with white vinyl to designate Safety Designated loss...' with a caption 'Shaded Red Down with white vinyl to designate Safety Designated loss...' and a link to 'more...'. Below these are three more thumbnail images of various workplace signs and boards.
